### **Unsolicited ideas**

MPP welcomes your comments and feedback regarding this Site. All information and materials submitted to MPP through this Site, such as any comments, feedback, ideas, questions, designs, data or the like, will be considered non-confidential and non-proprietary. For this reason, we ask that you do not send us any information or materials

that you do not wish to assign to us, including, without limitation, any confidential information and any original creative materials.

By submitting communications and/or materials to MPP through this Site, you assign to MPP, free of charge, all worldwide rights, title and interest in all copyrights and other intellectual property rights in the information and/or materials you submit to MPP. MPP will be entitled to use any information and/or materials you submit through this Site, and any ideas, concepts, know-how or techniques contained in any such information and/or materials, for any purpose whatsoever, included but not limited to developing, manufacturing and marketing products using such information or materials without restriction and without compensating you in any way.

However, MPP will not use any information or materials you submit through this Site in a way that violates applicable privacy laws. In particular, MPP will not release your name or otherwise publicize the fact that you submitted information or materials to us unless: (a) we obtain your permission to use your name; or (b) we first notify you that the materials or other information you submit to a particular part of this Site will be published or otherwise used with your name on it; or (c) we are required to do so by law.

You are responsible for the communications you submit through this Site, including, without limitation, their truthfulness and accuracy.

Please note that your submissions (e.g. by email) do not have any legally binding effect on MPP. Therefore, invoices, reminders and the like must be exclusively sent to the addresses set forth in the respective contract.

### **Third-party information**

Some of the information, articles and other materials available through this Site are provided to MPP by third-parties. Wherever practical, the source of these third-party materials is identified. These third-party materials are provided for your interest and convenience only. MPP does not warrant or represent that these materials are current, accurate, complete or reliable. MPP accepts no responsibility for any use to which third party information is put.

### **Links to other web sites**

This Site may contain hyperlinks to web sites that are not operated by MPP. These hyperlinks are provided for your reference and convenience only, and do not imply any endorsement of the material on these third-party web sites or any association with their operators. MPP does not control these web sites and is not responsible for their contents. You access and use these web sites solely at your own risk.

### **Product and services information**

Any information contained or referenced in this Site is **solely** provided as an introduction to MPP, its services and products. Advice given on this Site does not exempt you from conducting your own checks on our latest advice – particularly our safety datasheets and technical specifications – and on our products, with a view to their suitability for the

intended processes and purposes. Should you require any advice or instructions concerning our products or services, please contact us directly.

### **Disclaimer of warranties**

This Site is provided on an “as is,” “as available” basis, without representations or warranties of any kind. To the fullest extent permitted under applicable law, MPP and its service providers and licensors disclaim all warranties, express, implied, statutory or otherwise. Without limiting the foregoing, to the fullest extent permitted by law, MPP and its service providers and licensors hereby disclaim (a) all warranties of merchantability, fitness for a particular purpose, title and non-infringement with respect to this Site and its content and any services or products described on or made available through this Site; (b) warranties relating to delays, interruptions, errors, or omissions in the operation of this Site or any part of this Site; (c) warranties relating to the transmission or delivery of this Site or its availability at any particular time or location; (d) warranties relating to the security of this Site or that the Content of this Site is free of viruses, worms or other code that may manifest contaminating or destructive properties; (e) warranties relating to the use, validity, accuracy, currency, completeness, suitability, reliability, or the results of the use of this Site, including any Content, including product labels, products or services made available through this Site; and (f) warranties relating to websites to which this Site is linked.

Certain jurisdictions do not allow disclaimers of certain warranties or limitations on how long an implied warranty lasts, so one or all of the foregoing limitations may not apply to you and/or your company.

### **Limitation of liability**

Your and your company’s use of this Site, its Content and any services or products made available through this Site is at your and your company’s sole risk. Under no circumstances shall MPP or its service providers and licensors, including their respective directors, officers, employees, or agents, be liable for any losses or damages arising out of or in connection with your or your company’s access of, use of, or inability to use, this Site, its Content, including any services or products made available through this Site or your or your company’s reliance on any information provided through this Site. Without limiting the foregoing, MPP and its service providers and licensors shall not be liable in any way for possible errors or omissions in the Content; this applies in particular to any information about services supplied by MPP. This is a comprehensive limitation of liability that applies to all losses and damages of any kind whatsoever, whether direct or indirect, general, special, incidental, consequential, exemplary or otherwise, including without limitation, interruption of business, loss of or damage to data or goodwill, and loss of revenue or profits.

This limitation of liability shall apply to the fullest extent permitted by applicable law, whether the alleged liability is based on contract, negligence, tort, strict liability or any other basis and even if an authorized representative of MPP has been advised of or should have known of the possibility of such damages, and without regard to the effectiveness of other remedies.

You and your company acknowledge and agree that MPP could not make this Site and its Content available to you and your company at no charge if its liability were not limited as set forth above.

If any of these limitations of liability is found to be invalid or unenforceable for any reason, then the aggregate liability of MPP and its service providers and licensors under such circumstances for liabilities that otherwise would have been limited shall not exceed one hundred (\$100.00) dollars (or the local currency equivalent).

Certain jurisdictions do not allow the limitation of certain damages, so some or all of this limitation of liability may not apply to you and/or your company and you and/or your company may have additional rights.

### **Governing law and jurisdiction**

These terms and conditions shall be governed by, are subject to, and construed in accordance with, the laws of Switzerland without regard to conflict of law principles.

### **Waiver**

Our failure at any time to require performance of any provision of these terms and conditions or to exercise any right provided for herein shall not be deemed a waiver of such provision or such right. All waivers must be in writing and signed by the party to be bound. Unless the written waiver contains an express statement to the contrary, no waiver by MPP of any breach of any provision of these terms and conditions of any right provided for herein shall be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right under these terms and conditions.

### **Severability**

If any provision of these terms and conditions is held by a court of competent jurisdiction to be contrary to law, such provision shall be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law and the remaining provisions of these terms and conditions shall remain in full force and effect.

### **Entire agreement**

These terms and conditions constitute the entire agreement between you and your company and MPP with respect to your and your company's access to and/or use of this Site. These terms and conditions shall not be amended except as expressly set forth herein.
